

AI'09 Registration Form

22nd Australasian Joint Conference on Artificial Intelligence (AI'09)

1- 4 December 2009, Melbourne, Australia

<http://www.infotech.monash.edu.au/ai09/>

A. Personal Information

Title:	
First Name	
Surname	
Affiliation	
Country	
Email	
Paper Number (if applicable)	
****Student ID (if applicable)	

B. Registration Fees

Product	Amount	Subtotal
C. *AI'09 Standard Registration Fee	A\$800	A\$
D. **AI'09 Student Registration Fee (proof required) (Banquet is excluded)	A\$450	A\$
G. ***ACISS'09 Summer School Tutorial Fee (standard rate)	A\$100	A\$
H. ***ACISS'09 Summer School Tutorial Fee (student rate) (proof required)	A\$50	A\$
I. Workshop Fee for AI'09 Participants only (standard rate)	A\$100	A\$
J. Workshop Fee for AI'09 Participants only (student rate) (proof required)	A\$50	A\$
K. ACAL09 Dinner (Qty:))	A\$77	A\$
L. Workshop Fee for non-AI'09 Participants (standard rate)	A\$300	A\$
M. Workshop Fee for non-AI'09 Participants (student rate) (proof required)	A\$150	A\$
Grand Total		A\$

*Standard Registration Fee includes 10% Australian Government GST, conference sessions, morning and afternoon tea/coffee breaks, one AI'09 banquet ticket, one AI'09 conference proceedings and conference materials.

** Student Registration Fee includes 10% Australian Government GST, conference sessions, morning and afternoon tea/coffee breaks, one AI'09 conference proceedings and conference materials. (PLEASE NOTE: Banquet is excluded).

*** Please Note: if you attend ACISS'09 only, then you need to register only with ACISS'09.

**** Please fax or e-mail a copy of your student ID.

Under the one registration fee, participants are free to attend any of the Conference sessions in AI and ACAL.

C. Payment Method

Payment can be made either online or offline:

A) Online payment (Visa/MasterCard only) can be made via:

<http://aireys.its.monash.edu.au/it/categories.asp?clD=12>

B) Offline payment (Bank draft) made payable to Monash University.

Mail bank draft and registration form to:

Dianne Nguyen
Mail Box 54, Building 63,
Clayton School of Information Technology,
Wellington Road, Monash University, Clayton, VIC 3800, Australia

Email: ai09admin@infotech.monash.edu.au Fax:+61 3 990 55159

Payment Receipt Number (for online payment only):		Date of Payment:	
---	--	------------------	--

D. Workshops (1 Dec. 2009)

I would like to attend the following workshop (Please select **ONE** from the list):

<input type="checkbox"/>	The Fifth Australasian Ontology Workshop (AOW)
<input type="checkbox"/>	International Workshop on Collaborative Agents -- REsearch and Development (CARE)

E. ACISS'09 summer school tutorials (30 Nov. - 1 Dec. 2009)

I would like to attend the following ACISS'09 summer school tutorials (Please select from the list):

<input type="checkbox"/>	Tutorial 1: Computational Intelligence in Games (Part I and II) by Dr. Luigi Barone and A/Prof. Philip Hingston
<input type="checkbox"/>	Tutorial 2: How to do good research in database/data mining, and get it published! by Prof. Eamonn Keogh
<input type="checkbox"/>	Tutorial 3: Mining Massive Collections of Shapes and Time Series: With Case Studies in Anthropology and Astronomy by Prof. Eamonn Keogh
<input type="checkbox"/>	Tutorial 4: Particle Swarm Optimization (Part I and II) by Dr. Xiaodong Li and Professor Andries P. Engelbrecht
<input type="checkbox"/>	Tutorial 5: Introduction to Bayesian Network Models (Part I and II) by A/Prof. Ann Nicholson and A/Prof. Kevin Korb
<input type="checkbox"/>	Tutorial 6: Estimation of distribution algorithms by Dr. Marcus Gallagher
<input type="checkbox"/>	Tutorial 7: Practical introduction to backpropagation by Professor Tom Gedeon
<input type="checkbox"/>	Tutorial 8: Genetic Programming for Data Mining by A/Prof. Mengjie Zhang
<input type="checkbox"/>	Tutorial 9: Spatially-Structured Evolutionary Computation by Dr. Grant Dick
<input type="checkbox"/>	Tutorial 10: Foundations of Intelligent Agents by A/Prof. Marcus Hutter
<input type="checkbox"/>	Tutorial 11: Deep Belief Networks by Dr. Marcus Frean

For detailed information on the above ACISS'09 tutorials, please visit ACISS'09 website:

<http://goanna.cs.rmit.edu.au/~xiaodong/aciss09/>

Please Note: if you attend ACISS'09 only, then you need to register only with ACISS'09.
